

Codechef profile: kabilan_d_22 | CodeChef

My max codeforce rating is 1324
so for i have attended 5+ contest in codchef

The screenshot shows the CodeChef user profile for 'kabilan_d_22'. At the top, there's a navigation bar with links for Courses, Practice, Compete, and Compiler. On the right, there's an 'Upgrade To Pro' button and a user icon. The main content area starts with a user icon and the name 'Kabilan'. Below it, the username is listed as 'kabilan_d_22', country as 'India', and student/professional status as 'Other'. It notes that no active plan is active. A 'Submissions Heat Map' section shows activity from February to August, with most submissions occurring in June and July. To the right, the 'CodeChef Rating' is displayed as 1324 (Div 4) with a single star. Below this, global and country ranks are shown as 56630 and 52427 respectively. A 'Skill tests' section encourages users to take skill tests to build a strong profile.

This screenshot continues the user profile for 'kabilan_d_22'. On the left, a 'Rating Graph' is shown with the y-axis labeled 'Rating' (900 to 1400) and the x-axis labeled 'Year' (2025). The graph shows a steady increase in rating from approximately 990 in early 2025 to 1324 in late 2025. A callout box highlights the current rating of 1324 (+30) and participation in 199 contests. Below the graph, a link provides information on how the rating system works. On the right, a 'Badges' section lists several achievements: 'Code Enthusiast - No Badge' (0/10), 'Contest Contender - Bronze Badge' (6/25), 'Problem Solver - No Badge' (18/50), and 'Daily Streak - No Badge' (0/5). A 'Master Data Structures and Algorithms' section features a roadmap for learning data structures and algorithms.
